→ It emphasizes the importance of Dharma as the underlying principle upon which the entire universe and its workings are based.

(This statement is mentioned in Mahanarayan Upanishad

About the Shibir

The Vishwa Sangh Shibir 2025 represents a historic gathering that transcends geographical boundaries to unite the global Hindu community. This five-day event serves as a platform for cultural exchange, spiritual growth, and collective action rooted in the timeless principles of Sanatan Dharma.

Core Values

Our gathering is built upon the foundation of Dharma - the eternal principles that guide righteous living. Through this event, we aim to strengthen the bonds of the global Hindu fraternity while contributing to the well-being of humanity at large.

Anikini - Vaahini - Gana

All swayamsevaks and sevikas are divided into 10 major groups based on shreni, age and gender. This group is called an Anikini. Each Anikini is further divided into 3 or 4 Vaahinis, and each Vaahini is further divided into Ganas

Example

Anikini Vaahini Gana
Gana Kramank 9 2 1 = 921

→

This participants Anikini Kramank would be 9
his Vaahini Kramank would be 92 & thus his
Gana Kramank would be 921

(The Gana Kramank is a 3 or 4 digit number which is
written on the backside of the Praveshika)
